

## Pharma Logistics Days | 20 and 21.10.2021

**PHARMA  
LOGISTICS  
DAYS**

### What are the Pharma Logistics Days?

Pharma Logistics Day was held for the first time as a one-day event at Messe Basel on the occasion of ILMAC 2019, in cooperation with Lamprecht Pharma Logistics AG. In 2021, a two-day event now awaits you, focused on the topics of logistics and packaging in the pharmaceutical industry. The Pharma Logistics Days are being held on 20 and 21 October 2021 in an unforgettable location, in cooperation with an interdisciplinary committee from the logistics and packaging industries. The opening hours are Wednesday, 20.10.2021, from 9:00 to 18:30 and Thursday, 21.10.2021, from 9:00 to 17:00.

This special show covers current topics and news from the industry in matters relating to packaging and transport.

### Your benefits

- You benefit from an unbeatable price to performance ratio for your stand package.
- Interested professional visitors will specifically look for you and your solutions at the fair.
- You can address your target audience without incurring any scatter loss here.
- Raise the profile of your company, your product and the advice you give.
- You can concentrate on the essentials on your low-cost stand area (15 m<sup>2</sup>).
- At the Pharma Logistics Days, visitors and exhibitors meet up for technical discussions, and to find out about their customers' needs and discuss potential solutions.
